### Worse Every Year

Plenty of Clarksburg Readers Have the Same Experience.

Don't neglect an aching back. It will get worse every year. Backache is really kidney ache. To cure the back you must cure the kidneys.

If you don't other kidney ills follow—Urinary troubles, diabetes, Bright's disease.  
A Clarksburg citizen tells you how—the cure is easy.  
R. E. Johnson, miner, of 314 Jackson street, says: "I have never had a strong back, something necessary to a man who follows my occupation, and of late years I have suffered a great deal from attacks of pain across the loins, each succeeding one more severe and prolonged than the predecessor. My back has been so lame and sore that when I bent it was all I could do to straighten, and after I contracted a cold it was sure to sear itself in the loins, and misery very feebly expressed what I endured. Thinking that Doan's Kidney Pills might help, I went to Wells & Haymaker's drug store for a box, more out of curiosity than expecting results. The treatment agreed by surprised me. I never used a medicine which gave such undoubted relief as Doan's Kidney Pills. Mrs. Johnson can speak just as positively about the remedy as I. She used it for symptoms of undoubted kidney complaint and the results received proved that for weak or overexcited kidneys nothing can equal Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foleys-Honey-Tar Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
